8	Legal awareness seminar	Qumri	12-04-2012	12	18	30	One day

- **On the Tree Trimming training workshop:**

KURDS hired a trainer from the directorate of Agriculture / agriculture guidance department in Kanimas sub district. In these trainings each participant received Scissors (French made) for trimming trees.

- The computer training courses were conducted in Hirorr itself not in the CDC to reduce training costs (not pay for students' transportation).
